ARTIST CANVAS - RED EARTH

Item Code: **ART11**

Artist Canvas is a densely-woven 100% linen fabric woven from the best flax yarns. It started its life as an actual linen artist canvas, loved by old and modern masters, before going through several different finishing processes. One of these is stonewashing with real pumice stones which gives it a soft handle and flexibility. Artist Canvas takes colour beautifully and is available in a wide range of twelve shades from serene naturals to earthy reds. Its medium weight makes it a good choice for curtaining, upholstery and accessories.
