PURE ATLAS - SANTORINI

Item Code: ATL1

Pure Atlas is a 100% Organic Linen sheer fabric certified to the Global Organic Textile Standard (GOTS). The delicate ivory base is inter-woven with thicker strands of linen, creating a subtle design, reminiscent of the lines of latitude found on the world's first Atlas. Hung up against the light, these subtle tracings run across the face of the cloth and appear as though they have been hand stitched. This is a double width fabric and can be railroaded.
