BISON - SHRUB

Item Code: **BSN4**

Inspired by the strength and resilience of the Bison, this tightly woven, tactile linen has a ribbed texture. It is a piece of art created through the artisanship of the natural spun yarn, the craft of weaving. The stonewashed finish gives this cloth a supple handle and creates the natural irregular scars and marks of this robust upholstery cloth. It is unbleached or dyed, so natural colour variations occur with each flax crop. The perfect upholstery cloth, this heavy and robust fabric will last a lifetime and bring strength to any room. This product contains natural, untreated linen therefore colour may vary.
