ILLUSION CASHMERE THROW - BREEZE/TOILE

Item Code: **CAWO2T**

A marriage of super fine cashmere and virgin wool this exquisite throw is hand crafted from two of the softest most sublime fabrics. On the face is Illusion an ultra-fine jacquard with a subtle, tonal grand paisley inspired design woven through it, on the reverse is Coco an effortlessly elegant cloth with an exceptionally fluid drape. Combined they create the most sophisticated and elegant, limited-edition throw that is hand cut and stitched in an exclusive London atelier. It is finished with a 5cm border on the face.

Due to the incredibly fine nature of this throw, extra care should be taken not to snag or catch the fabric.
