DRIFTWOOD - WICKER

Item Code: **DRF3**

Like driftwood this cloth appears raw, weathered, and pared-back, embracing the beauty of the imperfect. With an organic texture that is delicate in appearance but strong in nature, yarns of different densities are intricately interlaced to create a substantial double width sheer with a vibrant drape. Linen fibres of varied hues are twisted together to create dappled, tonal colourways with faint slubs and flecks.
