ENGRAVED MORTAR - BEATEN TOP NO.29 - BROWN

Item Code: **EMT29**

A unique side table or stool repurposed from a Lozi grain mortar. This authentic traditional kitchen tool used to pound maize and grain is hand carved by the Lozi people of Zambia and is made from Rhodesian Teak (hardwood). The softly dimpled and textured tabletop is formed from a hand beaten and riveted metal layer.

Dimensions: 32x32x55 cm / "
