FORAGE CLOTH - QUILL

Item Code: **FOR3**

A unique blend of natural fibres, Forage Cloth is a robust textured rib that combines utilitarian practicality with the art of nature. Linen and wool fibres are combined to create a tonal mélange on the face of the cloth whilst sturdy raw linen yarns are interwoven at the back, resulting in a pronounced texture. Perfect for upholstery, Forage Cloth has a dense, dry hand and is available in a range of soft, earthy pigments.
