HANDWOVEN ALPACA THROW WITH FRINGE - SMOKE

Item Code: **HWB1T**

Beautifully gift boxed, this handwoven Alpaca and wool throw is utterly luxurious. The Alpaca wool selected is of the highest quality, softness, and fineness sourced from Fair Trade Alpaca farms in South Peru. The Alpaca yarn is spun together with the softest wool to create a yarn with a lofty coiled pile that is then hand-woven on traditional wooden looms by Peruvian artisans creating a plush bouclé finish.
