LOZI BOWL - DARK BROWN

Item Code: **LOZB1**

Limited Edition. Please contact our Client Liaison team for more information. Originating from the Lozi people of Zambia, the bowls are hand carved from a single piece of the Winter Acacia tree. The wood has a beautiful patina from years of handling. Cracks in the bowl are often repaired by stitching the wood together with natural fibre or wire, giving an authentic, raw look. The Lozi people mostly live around the flood plain of the Zambezi River in the Western Province of Zambia. The bowls are among the best known utilitarian objects, traditionally used for many purposes. This item is hand crafted, which means each piece is unique. Please note that the final product you receive could vary slightly in colour and size.
