MOULINÉ CASHMERE THROW WITH FRINGE - CHOCOLATE

Item Code: MCA1T

This 100% cashmere throw is wonderfully warm and luxuriously soft, like a gentle embrace. The highest-grade, softest, and longest virgin cashmere fibres have been carefully sourced from traditional Mongolian farms. The fibre is combed by hand from the cashmere goats once a year, then spun and woven in Italy on traditional looms. The final secret lies in the finishing. Super-soft water with very low levels of limestone is used to enhance the lightness of each fibre to create a throw that is ultra-soft and sumptuous.
