MOULINÉ CASHMERE BED THROW WITH FRINGE - OAT

Item Code: **MCA2BT**

This generously sized 100% cashmere bed throw is wonderfully warm and luxuriously soft, like a gentle embrace. The highest-grade, softest, and longest virgin cashmere fibres have been carefully sourced from traditional Mongolian farms. The fibre is combed by hand from the cashmere goats once a year, then spun and woven in Italy on traditional looms. The final secret lies in the finishing. Super-soft water with very low levels of limestone is used to enhance the lightness of each fibre to create a throw that is ultra-soft and sumptuous.

Supplied with a dust bag made in GOTS certified cotton fabric with waxed cotton cord ties. Limited availability

Composition: 100% Cashmere
