de Le Cuona

OLD HOLLYWOOD - FLICKER

Item Code: OLH7

This cloth encapsulates the essence of old school Hollywood glamour, inspired by the reflections of candlelight on crystal. The face has a soft, opulent lustre and the back is just as enchanting, with a subtle texture and crisp, parchment-like hand. Would work beautifully as unlined curtains or light upholstery.

Composition:	60% Linen, 40% Viscose
Width:	140 cm / 55 "
