PRIMITIVE LINEN - TARRAGON

Item Code: **PRIM8**

Primitive is a 100% linen with a slubby texture. The small knots on the surface of the fabric are created intentionally by using special artisan yarns, making it a linen fabric with character. After weaving, the fabric goes through the stonewashing process with pumice stones. Both the irregular texture and washed effect give Primitive a vintage look and natural, soft feel. The slubbed effect is inspired by and reminiscent of old French bed linen. Primitive is woven from the finest quality flax in a specialist mill. Its medium weight makes it a wonderful choice for curtaining, accessories, upholstery and home accessories.
