## STONEWASHED CORDUROY - CREAM

Item Code: **SWC1**

An innovative take on traditional corduroy, this double width fabric uses the finest flax to create a chunky rib with a soft handle and relaxed drape. Certified by Masters of Linen and Masters of Flax Fibre, Stonewashed Corduroy is perfect for light domestic upholstery and curtaining. The heavy stonewashed finish gives this cloth a supple handle and creates the natural irregular scars and marks that add depth and character to any room.

The rib runs horizontally across the double width cloth but can be railroaded to sit vertically on upholstery and finished curtains and blinds with a drop less than 3m.
