VILLAGE WOOL THROW - MIDNIGHT

Item Code: **VW2T**

A super soft double-faced wool blanket expertly woven on sophisticated looms. Its design is a naïve take on the shapes of traditional mud huts found in African villages. The contrasting solid-hued back makes this throw both reversible and versatile.

The Life mark is woven into the design.

Composition:	100% Wool
Dimensions:	140x200 cm / 55x79 "
Usage:	Throw
Weight:	1.31 kg
Care Instructions:
