## **WOLF - ALASKA**

Item Code: **WOL4**

A wild looking, double-width cloth reminiscent of a wolf's natural markings. It has a soft, fluid handle adding a contemporary twist to any scheme delivering colour, texture and interest.

|                           |                                                                                     |                   |  |
|---------------------------|-------------------------------------------------------------------------------------|-------------------|--|
| Composition:              | 86% Linen, 14% PES                                                                  |                   |  |
